Dear Sir:

I am in receipt of your letter of Oct.29th, asking for information concerning Mr Leonard C. Pearson, who has applied for a position with you.

I am very glad to be able to give you the following information, and hope it will assist him in securing employment with you.

He has been one of the mainstays of The Newark Eagles Baseball Club, since he first joined it in 1936. He has always been most cooperative and helpful, the kind of a ballplayer who is really an asset to a team. In addition to being a very fine ballplayer, he is also a real team man. I am sure he will show the same spirit in any field of employment he finds himself in.

The reason he is not with us now, is of course due to the fact the ballseason has closed.

If there is any futhur information I can give you I will be very glad to do so.

Very Truly Yours
